THANK YOU

This letter is to everybody at Santa Pod on Monday, May 30th.

Dear All,

Thankyou seems a very inadequate word for the way all the Stone's Team feel about people's actions, sympathies and generosity after David's accident.

We would like to specially mention Owen Hayward for his very quick thinking action and the risk he took in pulling David free and of course the fire and ambulance crews who were absolutely marvellous.

Also the spectators, fans, racers and everybody who gave to the collection for David.

Thank you from all the Stone's Team - Dennis, David, Gerry, Trevor, Dick, Andrew, Roz, Mary, Colene and the children.

Dear Fans of Drag Racing,

Just thought that we would keep you informed about the latest happenings at Santa Pod, with a little bit of news and a little bit of gossip.

The first 'Bike Only' - Run What Ya Brung 'ULTIMATE STREET BIKE EVENT' - JULY 10th July 10th sees the meeting of 'The Ultimate Street Bike Event'. Link House and Super Bike Magazine are staging this event to find the ultimate Street Bike in the country. This is not a drag race but will be run on the same lines as our Run What Ya Brungs. All entries for the use of the track must go through Link House prior to the event. General admission on the day is £2 including pit-side. Telephone 01-686 2599 for further information and ask the editor for details of the awards and prizes for appearance etc.

ZANDVOORT by the sea, HOLLAND - JULY 16th/17th For the second year running Santa Pod are taking a contingent of cars and bikes out to Zandvoort, Holland to promote drag racing in Europe. Last year we pioneered the event with just a handful of vehicles, this year we had an overwhelming response and as a result there are seventy cars, bikes, jet cars and Sammy Miller's rocket car participating. A few entrants from Sweden, Germany and of course Holland should make the meeting a very enjoyable and competitive weekend.

A NEW DATE - EXTRA RUN WHAT YA BRUNG FOR ALL YOU ENTHUSIASTS - JULY 31st This weekend we have managed to bully and persuade those lovely ladies who sign you on, to give up more of their valuable time and come to the Pod for an extra Run What Ya Brung. Don't disappoint them, they like to see your smiling faces!

MANTORP PARK, SWEDEN - JULY 29th/31st Scandinavia's International major event, featuring a whole host of Scandinavian cars that are not seen at Santa Pod because of the large area called the North Sea. Although we do try to bring a selection of vehicles across from time to time. It is well worth the effort to make your way to Mantorp Park, it is situated approximately 150 miles north on the E4 from Gothenburg and is a very easy drive to get there. For further information contact Shortlands Travel on 01-464 7127 who are offering a special deal to the Santa Pod Drag Racers' Club.
